Missionaries to Senegal

April 2009

Easter Radio Show

Starting April 6 the Easter radio spots will begin airing all over Senegal. Each day for a week a 6 minute radio theater will tell about the events of the Passion Week. On Easter Sunday a 30 minute radio theater will air. This theater will combine the events of the Passion Week into one show. Pray for the Lord to use this radio event to stir up an interest in Jesus. Also, please continue to pray with us that Leer Gi spots will be broadcast from more stations across Senegal. Account #: 256395 Project #: 4611

The Jesus Film

On Good Friday we will be showing the Jesus Film in Wolof on a big screen at the Leer Gi School. We are praying that most of the neighborhood will come to see the film. Please pray with us for this film to have a powerful impact on all those who come.

Web Site Update

The Sand from Senegal web site has recently been updated with information and prayer requests.

Finishing the School

Leer Gi School

The Leer Gi Christian School currently has 3 preschool classes. Next October we hope to add at least one new grade level. In order for us start accepting children for the new levels; we must finish the top floor of the school building. The estimated cost of the top floor completion is about \$5000. In order to continue growing for two more years we need to add a classroom onto the second floor. The estimated cost for that project is \$15,000. Our hope and prayer is to completely finish the building by the end of our term. In order for the school to operate at full capacity we need to add on the third floor which would provide 3 more classrooms. The estimated cost for the third floor is \$20,000. Please pray with us for the completion of the school building. Account #: 256395 Project #: 4573
