Missionaries to Senegal, West, Africa

June 2009

## Carnival Outreach

In May we held the first Leer Gi carnival for kids. Activities included games with prizes, singing, and a presentation from a local children's evangelist. Despite the terrible wind and dust, we had over 100 people in attendance. Thank you for your prayers. Every time we open our doors to the community, we are able to share the love of Christ.

## Leer Gi Students

All of the students of the school attended the carnival with their parents and siblings. The Leer Gi School opened one year ago. The school is now officially recognized by the Senegalese government. With the opening of the primary levels next year, we already have many families ready to enroll their children.

We hope to construct an additional classroom on the second floor to accommodate the opening of the next grade levels. Thank you for your continued support of this project.

**Your support helps us to remain on the mission field and continue this ministry.**

**Thank you for your continued prayers and financial support.**

## River Baptism

A young man who has been attending the church for a year, and has helped get a mid-week cell group going, was baptized in May. This was the first person baptized by the Saint-Louis church.

## Prayer Requests

- Continued funding for the construction of needed classrooms at the school.
- Pray for the school students and their families.
- Leer Gi radio broadcasts continue to air in Saint-Louis. Please pray that the Lord will open doors to start daily spots in other towns.
- Pray for the Lord to continue to touch the new church plant in Saint-Louis.

## Praise Report

- Thank you to Nebraska Speed-the-Light for providing a motorcycle for the Leer Gi School.
